Kathryn.hooper@cityofhenderson.com

Henderson Fire Department

The YFS Program is a referral, intervention & education program extended to families whose children have one or more incidents with fire. Referrals are from local fire & police, school district, & juvenile justice services.

MEMBERSHIP BENEFITS

When you join the Fire Prevention Association of Nevada, you join a community of individuals dedicated to reducing fire losses and unintentional injuries. We do this by providing fire and life safety programs and educational instruction to a wide range of audiences in Nevada.

Since the Association is a Chapter of the International Fire Marshal's Association, the Uniform Fire Code Association, and ICC, membership also includes the opportunity to stay abreast with current developments in national, regional and local Fire Code processes.

In addition to notifications, members will be able to attend continuing educational training classes at discounted prices.

OTHER BENEFITS INCLUDE:

- Ties to other major fire code and injury prevention organizations and associations
- E-mail notifications of breaking local, regional and national news regarding fire safety/injury prevention and fire code issues
- Membership identification card
- Membership certificate for display
- Membership lapel pin
- It's Fun!
